About Me

I'm Abdulfetah Jemal, a Senior Full Stack Developer & WordPress Expert with a proven track record of building fast, secure, and SEO-friendly digital products. I've led startups, built solutions for NGOs and growing businesses, and successfully launched my own e-learning platforms and AI-powered SaaS products. My work focuses on turning ideas into real, scalable products — quickly and intelligently. For a deeper, behind-the-scenes look at my real-life journey, visit:
